

CHESS VALLEY MALE VOICE CHOIR NEWSLETTER

9th February 2026

Dear Supporter,

This is my first newsletter in 2026 so, on behalf of the Choir, may I wish you all the best for the not-so-new year. It was great to see so many of you supporting our Christmas concert in Chesham. The atmosphere in the Broadway Baptist Church was wonderful, helped by the involvement of the Chesham My Town Choir, and it also resulted in a bumper collection for Chiltern Music Therapy (see more below). Thanks again.

Our Spring Concert

Our next concert will be in Great Missenden, on Saturday 28th March 2026 at 7.30, with our special guest artists being Quintessential Brass an ensemble that was formed through lockdown, 'largely due to one of the member's obsessions with arranging music for Brass Ensemble during this time!' They now perform regularly around the Southeast of England, playing a wide variety of styles, and aiming to 'entertain our audiences!'

A poster is attached to this letter, giving all the details.

We hope to see you there at the Parish Church of St Peter & St Paul: it promises to be a varied and great concert.

Chiltern Music Therapy

The choir have supported the work of this local organization for over 10 years now, raising over £10,000 for them over that time. Some representatives of Chiltern Music Therapy were at the Christmas concert and expressed their delight and thanks for the continuing support from the choir and its followers. We are proud to be associated with the important work of this organization, which has helped people of all ages in our local area.
